## What is the goal?

Incorporating everything from immediate humanitarian aid to long-term development cooperation, we are working hard to end hunger throughout the world. Help us succeed!

## How does running help fight hunger?

Whether you donate at registration or by raising funds on your own, 100 percent of your donation goes towards Welthungerhilfe's work!

# #ZeroHungerRun

## How does this work?

Register online for the challenge and run for 30 or 60 minutes, whichever you prefer. Track your run using an app and upload your results to our portal to find your place in our national rankings.

## When does it start?

You can complete your run between

18:00 on Wednesday, 05 May 2021 (GET) and 23:59 on Sunday, 09 May 2021.

## Sign up today!

Last year, nearly 3,500 runners laced up their shoes for the #ZeroHungerRun Challenge. Sign up to participate in the largest virtual charity run of the year!

## Become a Local Hero!

### Win the #ZeroHungerRun City Championships!

In addition to the national rankings, you can win great prizes by competing against other participants from your region. No extra effort is required to participate, as the address you register with determines which regional rankings you are eligible for.

### Is your region on the list?

In several cities in Germany, we will crown a local hero and award prizes, thanks to our sponsors! Visit our website to learn all about the event and our partners and to find out if there are regional rankings available for your city.
