Your donations give us the leverage necessary to apply for further funds from public grant providers such as the Federal Ministry for Economic Cooperation and Development (BMZ), the Federal Foreign Office (AA), the European Union (EU), and the United Nations and to win them over with our project ideas. As a rule, this allows each donation to be quadrupled—EUR 100 of donations can become up to EUR 400 of project funding.

Since it was founded in 1962, Welthungerhilfe has funded 9,331 international projects to the tune of around EUR 3.71 billion. Through its 404 overseas projects in 37 countries, Welthungerhilfe supported about 10.5 million people—men, women, and children—in 2018 alone. In real terms that means: Many people can now feed themselves better, since their harvests have increased. They now have clean drinking water or toilets, which means they are less susceptible to illness. Others are earning or producing more and can begin pursuing an education. For children, Welthungerhilfe’s support provides opportunities for improved physical and intellectual development.

32 of our 404 overseas programmes are interregional projects with a sum of EUR 3.8 million in total funding in addition to the amounts shown here.
