### INCOME

(in EUR millions)

### EXPENDITURE

(in EUR millions)

\* The level of overseas project funding for 2020 reported here is EUR 0.4 million higher than the overseas project funding stated in the map legend (overleaf) because the DZI definitions applied here include certain expenses in addition to the funds directly allotted to projects.

### WE BOOST YOUR DONATIONS

Your donations give us the leverage necessary to apply for further funds from public grant providers—such as the Federal Ministry for Economic Cooperation and Development (BMZ), the Federal Foreign Office (AA), the European Union (EU), and the United Nations (UN)—and to win them over with our project ideas.

As a rule, this allows each donation to be quadrupled, with donations of EUR 100 becoming up to EUR 400 of project funding.

The DZI donation seal certifies Welthungerhilfe's efficient and responsible handling of the funds entrusted to it since 1992.

# WHAT WE ACHIEVE

Since it was founded in 1962, Welthungerhilfe has funded 10,369 international projects to the tune of around EUR 4.2 billion.

Through its 539 overseas projects in 35 countries, Welthungerhilfe supported about 14.3 million people—men, women, and children—in 2020 alone. This means that, even during the COVID-19 pandemic, we were able to quickly provide emergency aid in acute situations and implement hygiene and aid strategies tailored to each region. With larger harvests, many people are now better able to feed themselves. They now have access to clean drinking water or toilets at home, rendering them less susceptible to illness. Others are earning more and can begin pursuing an education. For children, this support improves their physical and cognitive development prospects.
