WE BOOST YOUR DONATIONS

Your donations give us the leverage necessary to apply for further funds from public grant providers—such as the Federal Ministry for Economic Cooperation and Development (BMZ), the Federal Foreign Office (AA), the European Union (EU), and the United Nations (UN)—and to win them over with our project ideas.

As a rule, this allows each donation to be quadrupled, with donations of EUR 100 becoming up to EUR 400 of project funding.

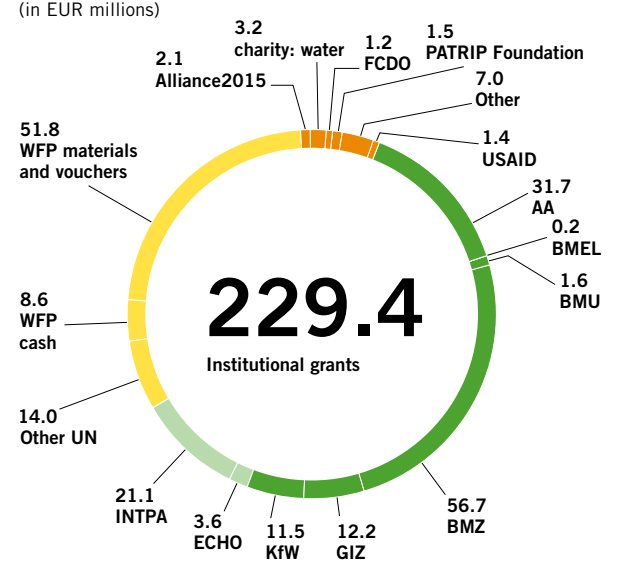

The DZI donation seal certifies Welthungerhilfe's efficient and responsible handling of the funds entrusted to it since 1992.

WHAT WE ACHIEVE

Since it was founded in 1962, Welthungerhilfe has funded 10,895 international projects to the tune of around EUR 4.46 billion.

In 2021 alone, Welthungerhilfe supported about 16.6 million people with its 526 overseas projects in 36 countries. Largely thanks to our local partners, the COVID-19 pandemic did not prevent us from quickly providing emergency aid in urgent situations, nor did it stop us from implementing long-term development programs suited to each region. Many people's harvests and incomes have grown, and with better nutrition and access to clean drinking water, they get sick less often. For children, Welthungerhilfe's support provides opportunities for improved physical and cognitive development – so they can choose their own future direction.
