

CALL FOR TENDER

Humanitarian Aid for Northern Iraq - Rehabilitation of School Our Ref. IRQ 1023-TND-079

Dear Sirs,

Welthungerhilfe (hereafter WHH) was established in 1962. It is today one of the largest private organizations working in the area of development cooperation and humanitarian aid in Germany. The organization is non-profit-seeking, non-partisan and non-denominational. Donations from the population at large fund our work in over 40 countries in Africa, Asia and Latin America. In addition, WHH receives grants from the Department for International Development (DFID), the Federal German Government, the European Union, the United Nations and the United States Agency for International Development.

Financed by the German Ministry of Foreign Affairs (AA) for our humanitarian aid activities in Northern Iraq, we are in the market for:

REHABILITATION OF JAMROUT SCHOOL IN JAMROUT VILLAGE, ZUMMAR SUB-DISTRICT, NINEWA GOVERNORATE, IRAQ

1. Instructions to tenderers

By submitting a tender, tenderers fully and unreservedly accept the conditions of this call for tenders, which will constitute the governing of contract as the sole basis of this tendering procedure, whatever the tenderers own conditions of sale may be which they hereby waive. Tenderers are expected to examine carefully and comply with all instructions, forms, contract provisions and specifications contained in this tender dossier. Failure to submit a tender containing all the required information and documentation within the deadline specified will lead to the rejection of the tender.

No account can be taken of any remarks in the tender relating to the tender dossier; remarks may result in the immediate rejection of the tender without further evaluation.

2. General remarks and special condition

9. Inspection

The Contracting Authorities shall be entitled to inspect, examine measure and test the components, materials and workmanship, and check the progress of preparation, fabrication or manufacture of anything being prepared, fabricated or manufactured for delivery under the contract, in order to establish whether the components, materials and workmanship are of the requisite quality and quantity. This shall take place at the place of manufacture, fabrication, preparation or at the place of acceptance or at such other places as may be specified in the Contract.

For the purposes of such tests and inspections, the Contractor shall:

- a) Provide to the Contracting Authorities or his representative, temporarily and free of charge, with such assistance, test samples or parts, machines, equipment, tools, labor, materials, drawings and production data as are normally required for inspection and testing.
- b) Provide access to the Contracting Authorities or his representative, at all reasonable times to the place where the tests are to be carried out.

An independent surveyor company shall also execute this inspection on quality and quantity at time and place prior or at loading (before shipment to the destination). One inspection per project will be on behalf of the Contracting Authorities. Any additional inspection shall be because of the contractor. Goods not meeting agreed quality would be rejected. In case goods are rejected, the contractor will contractually be obliged to pay already incurred fees for rejected goods and for such fees that will become payable to the inspection company due to multiple interventions and/or fruitless visits and for goods inspected but eventually remained unshipped.

10. Penalties

Delivery schedule will be negotiated and fixed in order. In the event of delay in delivery caused other than by force majeure, the respective Contracting Authorities are entitled to make use of a penalty of **5/1000** per day of the total value of the work still to be completed, on the concerned delivery date. The penalty will be deducted from the invoice. In the event of incomplete delivery caused by the contracted tenderer, the respective Contracting Authority is entitled to deduct the losses from the invoice. In case of damaged cargo caused by inappropriate packaging or handling errors, the respective Contracting Authority reserves the right to deduct from the relevant order sum an amount according to the variance to the requested specification. In case the quality is not in line with specifications initially agreed by both sides, the contracted tenderer has to inform the respective Contracting Authority as soon as possible. Goods not meeting agreed quality can be rejected by the respective Contracting Authority, but if the respective Contracting Authority accept these goods, a deduction from the order sum and a penalty will be negotiated.

11. Guarantee

The Contractor is obliged to fix subsequently recognized construction defects within (3) Three Months after delivery at its own cost. The Contracting Authorities shall be entitled to reserve 5% (5 per cent) of the total value of the contract to guarantee this service. Exact conditions will be negotiated and fixed in contract if needed.

12. Prices

The price includes the cost of materials, transportation, installation, connections, all related work as specified in the bill of quantities, technical specifications and drawings, Taxes, ICR and overhead cost.

All prices must be indicated in **USD (United States Dollars)** currency ONLY.

Prices in other currencies are not accepted.

Policy Statement of Welthungerhilfe

- a. Welthungerhilfe supports the goals of the UN Global Compact

The UN Global Compact is a strategic policy initiative for businesses that are committed to aligning their operations and strategies with ten universally accepted principles in the areas of human rights, Labour, environment and anti-corruption.

Human Rights

- Principle 1: Businesses should support and respect the protection of internationally proclaimed human rights; and
- Principle 2: make sure that they are not complicit in human rights abuses.

Labour

- Principle 3: Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
- Principle 4: the elimination of all forms of forced and compulsory Labour;
- Principle 5: the effective abolition of child Labour; and
- Principle 6: the elimination of discrimination in respect of employment and occupation.

Environment

- Principle 7: Businesses should support a precautionary approach to environmental challenges;
- Principle 8: undertake initiatives to promote greater environmental responsibility; and
- Principle 9: encourage the development and diffusion of environmentally friendly technologies.

Anti-Corruption

- Principle 10: Businesses should work against corruption in all its forms, including extortion and bribery.

The Global Compact is global and local; private and public; voluntary yet accountable.

Further information is available on this website in different languages:

- b. Welthungerhilfe (WHH) renounces all forms of terrorism and money laundering

Welthungerhilfe renounces all forms of terrorism and will never knowingly support, tolerate or encourage terrorism or the activities of those who embrace terrorism or money laundering. Consistent with numerous United Nations Security Council resolutions, including S/RES/1269(1999), S/RES 1368(2001) and S/RES1373 (2001) and the European Union, Welthungerhilfe is firmly committed to the international fight against terrorism and in particular against the financing of terrorism. It is the policy of Welthungerhilfe to seek to ensure that none of its and its donor funds are used, directly or indirectly, to provide support to individuals or entities associated with terrorism or money laundering. Therefore, Welthungerhilfe will match their suppliers and Service providers against the Sanctions lists on a regular basis. By submitting an offer, suppliers and service providers agree to this.
